# STUDENTS' UNION

The logo of Wilfrid Laurier University, featuring a stylized bird head in profile, facing right. The bird has a long, flowing crest and a sharp beak. The entire logo is rendered in a dark blue color.

## NOMINATION PACKAGE

LAURIER BOARD OF GOVERNORS  
OR  
LAURIER SENATE

---

## What Position Am I Running For?

---

Serving on Laurier's Senate or Board of Governors provides unique learning and leadership opportunities. Through your participation, you will have an impact on strategic decision-making at the University. Students on Senate and Board are full members, and are required to attend meetings, come prepared, participate, and respect confidentiality. If elected, you will be expected to provide a student perspective while making decisions in the best interest of the University. The [Wilfrid Laurier University Act](#) lays out the powers of both governing bodies. The following is a brief overview of the Board of Governors and Senate, and how students are elected to them.

### Senator

The Senate is the highest academic body of WLU and makes decisions on high-level academic issues, such as strategic plans, new program proposals, and curriculum changes. In total, there are seven (7) elected undergraduate positions on Senate with at least one (1) spot reserved for a student from the Brantford Campus. Senators are expected to serve on at least one of the following committees:

- Academic Planning
- Governance
- Student Appeals
- Executive and Finance
- Teaching and Learning
- Honorary Degree

For a term starting July 1, 2026, there are 5 vacancies for undergraduate students on Senate:

- Three (3) opportunities for (2) year terms.
- Two (2) opportunities for one (1) year terms.

Eligibility: Any Laurier student is eligible to run for Senate; however, they cannot be a member of a student body, faculty, staff, or governing body of an external degree-granting institution throughout the duration of their term. Candidates must be registered students at Laurier at the start of their term (July 1, 2026). Students must attend at least 50% of meetings to maintain their position on the Senate. To preserve the perspective of current students and their needs, candidates are encouraged to consider if they are planning to graduate during their elected term. If so, serving a partial limited-time term is an option.

## Governor

In total, there are two (2) elected undergraduate positions on the Board of Governors, each elected for a two (2) year term. The Board of Governors is empowered to govern the University, control its property and revenues through matters like the budget, and establish university-wide policies and overall strategic direction. Students are expected to serve on at least one of the following committees:

- Audit, Risk, and Compliance
- Finance, Investment, and Property
- Executive
- Human Resources

For a term starting July 1, 2026, there is one (1) undergraduate student vacancy on the Board of Governors.

Eligibility: Any undergraduate student is eligible to run for the Board of Governors. Candidates must be registered students at Laurier at the start of their two-year term (July 1, 2026). Students must attend at least 50% of meetings to maintain their position on the Board of Governors. To preserve the perspective of current students and their needs, candidates are encouraged to consider if they are planning to graduate during their elected term. If so, serving a partial, limited-time term is an option.

**You are highly encouraged to do your own research before running and ensure you can make the time commitment to serve. For more information on the Board of Governors, Senate, their bylaws, past meeting minutes, and meeting schedules, please refer to the governance page on Laurier's [student website](#). The University Secretariat facilitates the work of the Senate and Board of Governors and can answer questions via email at [lauriersecretariat@wlu.ca](mailto:lauriersecretariat@wlu.ca).**
